2017 SUMMER2 COURSE SYLLABUS - MATHEMATICS 1041.022

Course: Mathematics 1041.022.

Course Title: Calculus I.

Time: 8:30 - 10:05.

Place: Wachman 213.

Instructor: William Thomas Worden.

Instructor Office: Wachman 517.

Instructor Email: william.worden@temple.edu

Instructor Phone: NA.

Course Web Page: All announcements and review materials will be posted on Blackboard

Office Hours: Tuesday and Thursday 10:20a - 12:00p.

Prerequisites: Math placement or a grade of C or higher in Math 1022 (C074) or transfer credit for Math 1022 (C074).

Textbook: Calculus: Early Transcendentals, by James Stewart; 8th Edition, Brooks Cole. Important: in addition to the printed textbook you need to have access to WebAssign because part of your homework may be assigned there. This is particularly important if you are going to continue with calculus during the fall or spring semester when Web Assign is required. Please note that you can purchase the textbook at the bookstore or at the microsite created by Cengage, the publisher, for Temple Students: www.cengagebrain.com/course/1636887.

Course Goals: To learn the concepts and techniques of differential and integral calculus.

Topics Covered: Limits and continuity, differentiation, application of derivatives to optimization and graphing, antiderivatives, the definite integral, Fundamental Theorem of Calculus, integration by substitution.

Course Grading: Quizzes: 15%, Test 1: 25%, Test 2: 25%, Comprehensive Final Exam: 35%.

Exam Dates: Test 1 - Thursday, July 13, Test 2 - Monday, July 31, Final - Tuesday, August 8.

Attendance Policy: Attendance is required. Students who miss more than 3 classes without an excuse will have their grades lowered by one notch (e.g., from B to B-). Those who miss more than 6 classes will have their grades lowered by two notches, etc.

Calculator Policy: No calculators will be allowed on any exams or in-class quizzes.

Make Up Policy: Make ups will only be given in cases of DOCUMENTED EMERGENCIES (sickness, car accident, a death in the family, etc.) It is the student's responsibility to contact his/her instructor RIGHT AWAY, preferably by e-mail, in case of a missed exam. All make ups must be taken within two days of the missed test. No make ups will be given once the graded tests are returned.

Letter Grades: 93-100 A, 9-92 A-, 87-89 B+, 83-86 B, 80-82 B-, 77-79 C+, 73-76 C, 70-72 C-, 65-69 D+, 55-64 D, 50-54 D-, 0-49 F.

Electronic Devices Policy: All electronic devices must be turned off and put away for the duration of the class.

Exam Security Policy: We have a zero tolerance policy for cheating on the tests. Any student caught cheating will receive a score of 0 on the test and will be reported to the Student Code of Conduct Board. All electronic devices such as cell phones, computers, or smart watches items must be turned off and stowed away and out of sight for the duration of the exam. Any student found with such a device during an exam will not be allowed to complete the test and will receive a score of 0 for the test, and will be reported to the Student Code of Conduct Board. In addition, under no circumstances, will students be allowed to bring in any kind of papers for use during the exam. Should a student need extra paper during a test, he/she should ask the instructor to provide it. Any student found using papers that they themselves brought into the exam will not be allowed to complete the exam and will receive a score of 0 for the test.

Any student who has a need for accommodation based on the impact of a disability should contact me privately to discuss the specific situation as soon as possible. Contact Disability Resources and Services at (215) 204-1280, 100 Ritter Annex, to coordinate reasonable accommodations for students with documented disabilities.

Freedom to teach and freedom to learn are inseparable facets of academic freedom. The University has adopted a policy on Student and Faculty Academic Rights and Responsibilities (Policy # 03.70.02) which can be accessed here. (<http://policies.temple.edu>)

Students will be charged for a course unless dropped by the Drop/Add deadline date. Check the University calendar (<http://www.temple.edu/registrar/documents/calendars>) for exact dates.

During the first two weeks of the fall or spring semester, students may withdraw from a course with no record of the class appearing on the transcript. In weeks three through nine of the fall or spring semester, or during weeks three and four of summer sessions, the student may withdraw with the advisor's permission. The course will be recorded on the transcript with the instructor's notation of "W," indicating that the student withdrew. After week nine of the fall or spring semester, or week four of summer sessions, students may not withdraw from courses. No student may withdraw from more than five courses during the duration of his/her studies to earn a bachelor's degree. A student may not withdraw from the same course more than once. *Students who miss the final exam and do not make alternative arrangements before the grades are turned in will be graded F.*

The grade I (an "incomplete") is reserved for extreme circumstances. It is necessary to have completed almost all of the course with a passing average and to file an *incomplete contract* specifying what is left for you to do. To be eligible for an I grade you need a good reason and you should have missed not more than 25% of the first nine weeks of classes. If approved by the Mathematics Department chair and the CST Dean's office, the incomplete contract must include a default grade that will be used in case the I grade is not resolved within 12 months.
